- Two parties were de-registered;
- Annual financial statements for the calendar year 1983 were received and examined from two hundred and eighty-seven registered constituency associations;

- The Political Alternative Association of Alberta Party applied for registration on December 21, 1984 and was officially registered on January 7, 1985;
- Receipt of Royal Assent for amendments to the Act.

Candidates

1979 General Election

Three persons who were registered candidates at the 1979 General Election and who failed to file Campaign Financial Statements were notified by registered mail that they are ineligible to stand as candidates at a future provincial election pursuant to Section 36(1) of the Act.* These persons have not as of December 31, 1984 applied for relief from the Alberta Court of Queen's Bench.

Eleven registered candidates of the Alberta Liberal Party at the 1979 General Election failed to provide acceptable financial statements pursuant to Section 26 and 35 of the Act. Each of these individuals was notified by registered mail that approval of registration at a future election in accordance with Section 8(2) of the Act would not be granted until satisfactory clarification of their 1979 Campaign Financial Statement was provided.

1982 General Election

One registered candidate at the 1982 General Election who failed to file his Campaign Period Financial Statement was notified by registered mail that he is ineligible to stand as a candidate at a future provincial election pursuant to Section 36(1) of the Act.* As of December 31, 1984 this individual has not applied for

relief from the Alberta Court of Queen's Bench.

As of May 11, 1983 one registered candidate of the Alberta New Democratic Party and three registered candidates of the Western Canada Concept Party of Alberta had not finalized their 1982 General Election Campaign Period Financial Statement. These candidates were advised that registration under Section 8(2) of the Act for any future provincial election would not be approved unless an acceptable financial statement covering the 1982 election had been received by this office. As of December 31, 1984 registered candidates of the Western Canada Concept Party of Alberta in the Electoral Divisions of Edmonton Glengarry and St. Paul submitted acceptable financial statements and the prohibition regarding their future candidacy has been removed.

* Section 36 has been amended; Section 52.1 of the Election Act applies.

Financial Statements

All political parties and constituency associations registered prior to September 1, 1983 were required to file annual financial statements for 1983 on or prior to March 31, 1984 in accordance with Section 34 of the Act.

Political Parties — 1983 Annual Financial Statements

Nine political parties were registered with the Office of the Chief Electoral Officer prior to September 1, 1983. Financial Statements were received from seven of the nine parties on or prior to March 31, 1984, namely:

Alberta Liberal Party

Alberta New Democratic Party

Alberta Social Credit Party

Communist Party — Alberta

Confederation of Regions Party

Progressive Conservative Association of Alberta

Western Canada Concept Party of Alberta

The remaining parties, the Alberta Reform Movement and the Unparty Party (Alberta) were both de-registered effective April 5, 1984 for failing to file the required financial statement and audit report.

The Alberta Reform Movement filed some of the required information on April 18, 1984, however, the submission was incomplete and the de-registration remained in effect. On July 3, 1984 the Alberta Reform Movement supplied complete and accurate financial statements and was re-registered effective July 9, 1984. The financial statement submitted by the Alberta Reform Movement covers the period September 17, 1982 (the date the party was registered) to December 31, 1983.

To-date the Unparty Party (Alberta) has not submitted a 1983 Annual Financial Statement and Audit Report. The Unparty complied with a request from this office and submitted all surplus funds to be held in trust pending re-registration. The Unparty has not entered into any correspondence with this office regarding the unfiled statement and remains de-registered.

The financial statement submitted by the Confederation of Regions Party

covers the period August 19, 1983 to December 31, 1983. In accordance with Section 34 of the Act the Confederation of Regions Party was required to file a financial statement for this partial year.

A summary of receipts, transfers and expenditures reflected in the required annual financial statements is contained in Appendix B.

This was the sixth year in which financial statements were required to be filed in accordance with the Act. This report does not attempt to make detailed comparisons of the financial support given to the political entities. Total	$ 1,261,787.	$ 139,492.	$1,401,279.

Income Tax Credit Allowance — 1982

During 1984 the Tax Policy Division of Alberta Treasury provided information, obtained from Revenue Canada, Taxation and Alberta Corporate Tax Administration, concerning the 1982 income tax credits for political contributions allowed to individual and corporate taxpayers who paid Alberta Income Tax.

Although the following information is now two years after the fact, it may be useful for future comparison purposes:

Total 1982 contributions (annual plus campaign) to registered parties	$2,686,110.
Total 1982 contributions to registered constituency associations	$ 210,071.
Total 1982 contributions to registered candidates	$1,748,977.
Total 1982 Provincial Income Tax Credit allowed	$1,087,457.

Three factors should be kept in mind when reviewing this information: first, the taxpayers do not receive any income tax credits unless they submit an official receipt for the contribution; second, if there is no Alberta income tax payable no income tax credit is allowed and third, the amount of income tax credit allowed is based on a declining percentage calculation of the total contribution. Consequently, a direct percentage comparison of the income tax credit allowed to the total amount contributed should not be made.

Funds Held in Trust by Chief Electoral Office

In accordance with Section 9(11) of the Act the Chief Electoral Officer is required to hold, in trust, funds of a political party, constituency association or candidate whose registration has been cancelled. The funds are held in trust until the political party, constituency association or candidate re-register or for a maximum of one year.

Currently, this office is holding in trust $37.58 from the Unparty Party (Alberta) and $64.89 from the Edmonton Sherwood Park Constituency Association of the Alberta Reform Movement. In the event that these two entities do not re-register by April 6, 1985 the funds will be turned over to the Provincial Treasurer to form part of the General Revenue Fund. The date April 6, 1985 represents one year plus one day from the date both were de-registered.

Amendments

During 1984 the following amendments to the Act were given Royal Assent, however, the amendments have not been proclaimed into force at the date of publication of this Report:

Section 1(l.1)	Was included to provide a definition of a "prohibited corporation". Prohibited corporations include: (i) any Provincial Corporation and subsidiary of a Provincial Corporation, (ii) any corporation that does not carry on business in Alberta, or (iii) any corporation designated by the Lieutenant Governor in Council.
Section 1(p.1)	Was included to provide a definition of a "subsidiary". Subsidiary is referred to in Section 1(l.1).
Section 2.1	Was included to establish that the Lieutenant Governor in Council may designate corporations to be prohibited corporations for the purposes of the Act.
Section 14.1	Details the corporations, persons, trade unions and organizations that can not make contributions to a registered political party, registered constituency association or registered candidate.
Section 29.1(a)	Reworded to replace "any corporation that does not carry on business in Alberta" with "any prohibited corporation".
Section 29(3)	Reworded to replace "any corporation that does not carry on business in Alberta" with "any prohibited corporation".
Section 41	Amended to include prohibited corporation.
Section 43	Was included to provide details on the penalty to a prohibited corporation for contravention of the Act.

Public Records — Display Files

The public display files which record information concerning political financing of registered political organizations in Alberta now contain records for six consecutive calendar years including the 1979 and 1982 General Elections and the two By-elections held since January 1, 1978. Interest in examining these records increase substantially on the dates immediately after the candidates, constituency associations and parties file the required campaign period or annual financial statements. However, the primary use of these records is made by the news media, students and members of political organizations.

Visits — Conferences

Annual Election Officers Conference

The 1984 Annual Conference of Canadian Election Officers and Election Finances Officers was held in Winnipeg, Manitoba, July 17 - 19, 1984. The majority of the provincial jurisdictions plus the Canada Elections Office Ottawa, were represented at this year's conference.

The conference again provided an opportunity for all jurisdictions to share problems and explore possible solutions particularly in the area of special voting procedures for prisoners and in-patients of treatment centres and mental health facilities.

The 1985 Conference will be held in Quebec City in the latter part of July 1985.

Council On Governmental Ethics Laws — U.S.A.

The 1984 Ethics Conference was held in Seattle, Washington, December 2 - 5, 1984 and was well attended by representatives from the majority of the State Offices in the USA and representatives from the Canada Elections Office as well as this Office and from the Ontario, Quebec and Manitoba Election Offices.

The 1985 Conference will be held during the first week of December 1985 in Chicago, Illinois.

Summary

This Office continued to provide guidance and assistance during 1984 to the newly appointed Chief Financial Officers at all levels and particularly to the Executive and Chief Financial Officers of the newly registered parties. All registered parties and their constituency associations continue to demonstrate a sincere desire to ensure that the requirements of the Act are met.

In submitting this report I wish to express my sincere thanks to all of the representatives of the Registered Political Parties and the many hard working volunteers throughout the Registered Constituency Associations for the co-operation provided to this Office during the past year. The dedication displayed by the Chief Financial Officers at all levels is particularly noteworthy. In addition, I wish to express my appreciation to those individual Albertans who took the time to write, phone or visit the Electoral Office to provide their personal input to the system concerning registrations and public disclosure. Finally, to my very competent and dedicated staff, congratulations and thanks for their dedication and efforts in ensuring that the responsibilities of the Chief Electoral Office were met in 1984.

All of which is hereby respectfully submitted,

Kenneth A. Wark
Chief Electoral Officer

Dated this 4th day of February 1985
